(*b*) The minimum quantities to be carted to depots by the contractor will be as follows:—

One-third of the contracted quantity by the end of October, one-third of the contracted quantity by the end of January and the remaining one-third by the end of March.

Failure on the part of the contractor to cart the timber, as noted above, entails the forfeiture of the whole or such portion of the security as the District Forest Officer may deem fit. If the carting work of the contractor is slack, and that in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligations, the District Forest Officer will at once cancel the contract, forfeit the security, and will make other arrangements for the carting of timber.

(*c*) No timber shall be removed from the forest without obtaining a Passport from the Range Officer or such Forester nominated by the Range Officer.

(*d*) All timbers for which passports have been obtained should be delivered in the depot, at the latest within two weeks of the issue of such passes. Any timber not reaching the depot within the above period will be treated as lost and the value thereof will be recovered at the depot rates, from the contractor from the amount of the next bill due to him.

(*e*) For timbers received in the depot without Passports, no cart hire will be paid and the contractor is further liable for prosecution under the provision of the Forest Regulation.

(*f*) In the matter of consigning different kinds of timber from time to time, the contractor shall abide by the instructions of the Range Officer.

(*g*) The Range Officer at the beginning of the each period mentioned in clause (*b*) will inform, in writing, the contractor, of the quantity of timber available for carting.

(*h*) The contractor shall abide by the rules of the department as regards kindling of fires and hold himself responsible for any offence committed by him or his Agent, employees or cart-men.

(*i*) The security furnished will be returned to the contractor three months after the expiry of the contract period, if the whole or any portion of which is not forfeited to Government by the violation of any of the terms of the contract, and after satisfying that no timber is outstanding against the contractor.
